Re: Abellanosa et al. vs. L&T Corporation
Civil Action No. 05-0010

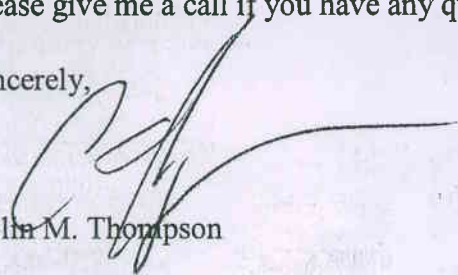

Dear Joe,

I have received the deposition notices and Subpoenas for Nenita "Baby" Lopez, Ioling "Amy" Tse and Ma. Corazon M. Quing. I agreed to accept service of these Subpoenas, but in doing so, I explained that "Baby" was in the Philippines with a serious medical condition. I gave you an update on her condition last week and again yesterday. Under these circumstances, I can not accept service of her notice or subpoena at this time. I am, however, happy to facilitate service once she returned to Saipan and I will continue to update you on her condition.

It is my intention that this letter will be obviated the need to file a motion to quash the subpoena. If I am incorrect, please let me know right away. Thank you for your anticipated courtesy.

Please give me a call if you have any questions or concerns.

Sincerely,

Colin M. Thompson
